

“I used to feel stuck and disconnected — but Buddify helped me find someone who understands exactly what I’m going through.”

Idris Khan  
Business Analytics Student

### *The Difference That Matters*

Buddify focuses on creating low-pressure, authentic conversations that feel natural. With approachable mentors and flexible formats, students can build skills and confidence at their own pace.

“

### *Why Buddify?*

*Navigating career-building as an international student can be overwhelming. Buddify is here to help by creating a safe, relatable space for mentorship and connection — on your terms.*

## **YOUR PEER-TO-PEER CAREER BUDDY SYSTEM**

*Buddify matches international students with student mentors to build confidence, networks, and career success in Alberta.*

# Start Small. Dream Big. Grow Together.

## ABOUT US

Buddify is a growing community of students helping each other succeed.

Whether you're navigating career plans, adjusting to life at SAIT, or looking for someone who gets it — Buddify connects you with a fellow student who shares your goals and passions.

Through meetups, mutual support, and shared experiences, we help students grow with someone by their side.

Be supported. Be understood. Be inspired — with Buddify.

## OUR VISION

We aim to create a welcoming, inclusive community where students support one another through shared career interests, cultural empathy, and meaningful peer connections.

Buddify promotes confidence, mentorship, and long-term support by fostering real connections that empower students.

*Ready to connect? We'll match you with the right peer. Scan to get started. Your career buddy is waiting.*
